# American Association of Physicists in Medicine

# MedPhys Match: THE MEDICAL PHYSICS MATCHING PROGRAM

# APPLICANT RANK ORDER LIST WORKSHEET

1. Rank each program **in order of preference**. You may rank as many programs as you wish. Do not include any program that you consider unacceptable (i.e., you would not want to be matched to the program under any circumstances).

2. Identify each program by its city and state, residency name, program description and 5-digit Code Number as shown in the List of Participating Programs available on the MedPhys Match website (natmatch.com/medphys). **If you cannot find a program in the online List, check with the Program Director involved.**

3. When you have finalized your rankings, use this Worksheet to prepare your Rank Order List.
