APPLICANT EARLY COMMITMENT AGREEMENT

Committing to a PGY2 Residency Position Beginning in 2022

A PGY2 residency program has offered me a position that starts training between June 1, 2022 and December 31, 2022, and I wish to accept the PGY2 position.

I confirm the following conditions to be accurate:

- I am a current PGY1 resident in an ASHP accredited or candidate status PGY1 residency offered by the same sponsoring organization as the PGY2 residency. Ultimate determination of whether the PGY1 and PGY2 residencies are in fact offered by the same sponsoring organization will be at the discretion of the American Society of Health-System Pharmacists (“ASHP”).
- The PGY1 and PGY2 residencies will be consecutive years of employment for me.

I accept appointment to the residency program for PGY2 training beginning in 2022.

My appointment to the program may be contingent on my satisfying eligibility requirements specified by the sponsoring organization and residency program.

I cannot avoid accepting appointment to and attending the program without a written release from the program; furthermore, without this release another residency program participating in the ASHP Resident Matching Program (the “Match”) cannot offer a position to me, and I will not make any commitment to or contract with any other program for PGY2 training beginning in 2022.

If I have registered for the 2022 Match, then by accepting this position I agree to be withdrawn from the Match by National Matching Services, and will not submit a Rank Order List for the Match. If I am not yet registered for the 2022 Match, then I will not register for the 2022 Match.

I agree to permit the reporting of my placement into the residency position to ASHP, to my school of graduation, to other residency programs participating in the Match, and to other parties deemed appropriate by ASHP, either by mail or electronically.

ASHP possesses beneficiary standing to enforce these terms of this Early Commitment Agreement, and violations of these terms will be reported to ASHP. If I violate any of these terms, such as refusing to accept the appointment, ASHP may pursue all available remedies and may impose penalties on me, such as barring me from participation in future ASHP Resident Matching Programs.
