Note: Positions "In Match" includes all positions offered in either Phase I or Phase II of the Match. In some cases, the sum of positions filled and positions unfilled in Phase II is less than the total positions offered in the Match; in these cases, some positions that were unfilled in Phase I were removed from Phase II and are no longer being offered this year.

Note: "Filled Early" refers to programs and positions that filled through the Early Commitment Process (ECP), whereby a position in a PGY2 program could be committed to a current PGY1 resident in advance of the matching process. Programs that filled all their positions through the Early Commitment Process did not go into the matching process. If a program filled some, but not all, of its positions through the ECP, the program and positions that were not filled through the ECP went into the matching process.
