APPIC INTERNSHIP MATCHING PROGRAM

APPLICANT RANK ORDER LIST WORKSHEET

1. Rank each program **in order of preference**. You may rank as many programs as you wish. Do not include any program that you consider unacceptable (i.e., you would not want to be matched to the program under any circumstances).

2. Identify each program by its Training Site Name, Program Description and 6-digit Code Number as listed in the List of Participating Internships available on the Match website (natmatch.com/psychint/directory/participating-programs.html). **If you cannot find a program in the List, check with the Training Director involved.**

3. When you have finalized your rankings, use this Worksheet to prepare your Rank Order List.
