INTERNSHIP MATCHING PROGRAM

Internship Site Instructions for the 2022 APPIC Match

All APPIC-member internship sites that have positions available to start training in 2022 must register for and participate in the 2022 APPIC Match.

1 Training sites should register for the APPIC Match by August 31, 2021.

- The Training Director of each training site is sent an e-mail with a unique link to start the online registration process. The registration process must be completed by the Training Director, and includes the following steps:
 1. Set up a new account in the NMS Match System
Account information is not carried over from previous years.
Training sites do not pay a fee to register for the Match.
 2. Confirm Training Site and Program Information
Each site must register at least one program in the Match. Sites that offer more than one form of training (e.g., tracks with different rotations, special emphasis tracks, full and part-time positions, positions at different locations, etc.) should consider registering multiple programs or tracks in the Match.

 3. Electronically sign the Internship Site Agreement, which incorporates the Match Policies

[View APPIC Match Policies >](#)
The Internship Site Agreement establishes significant obligations for your agency. Before electronically signing the Agreement, it is important that you inform your agency administration of these obligations and that you receive approval to register your site for the Match.
As part of the registration process, the Training Director must identify and provide contact information for a senior official (e.g., CEO, Hospital Director, Chief Psychologist, etc.), other than the Training Director, who is responsible for ensuring the training site can enter into this contractual agreement with APPIC and will meet its financial obligation to fund internship slots.
 4. The Training Director will receive a confirmation email when the registration process is complete. The senior official at the site will also receive a notification of the site's registration.

Detailed step-by-step registration instructions are available online:

2 Applicants apply to internship programs using the AAPI application service.

- Applicants can only apply to training sites that are registered for the Match. Training sites access applications using the AAPI Selection Portal.

[View Information about AAPI >](#)

- When searching for programs of interest, applicants may consult two sources of information that are maintained separately - the APPIC Directory of APPIC-member internships and the Match List of Participating Internships. Training sites should ensure they have consistent information in both places.
