INTERNSHIP MATCHING PROGRAM

INTERNSHIP SITE AGREEMENT

This internship site and its internship program(s) agree to participate in and abide by the policies and rules of the Association of Psychology Postdoctoral and Internship Centers (APPIC) Internship Matching Program (the "Match") for psychology internship positions that start training between June 1, 2019 and December 31, 2019, as stated below. In particular, this internship site and internship program(s) agree to:

1. Abide by all APPIC Policies, including the APPIC Match Policies, as shown on the APPIC web site (www.appic.org), which are incorporated by reference in and are an integral part of this Agreement.
2. Abide by the Schedule of Dates of the Match as shown on the Match web site (natmatch.com/psychint), which is incorporated by reference in and is an integral part of this Agreement.
3. Offer in Phase I of the Match all psychology internship positions available at the internship site. Furthermore, positions left unfilled in Phase I of the Match must be offered in Phase II of the Match, in accordance with APPIC Match Policies. However, positions for which funding is not assured must not be offered in the Match.
4. Provide complete and accurate information to applicants concerning the internship position(s) available through the Match, including all institutional and program policies related to eligibility requirements for appointment.
5. Notify National Matching Services Inc. of any changes in the internship programs participating in the Match by the Phase I Rank Order List Deadline for Phase I of the Match and by the Phase II Rank Order List Deadline for Phase II of the Match.
6. Require no commitments from applicants and make no offers of appointment to applicants prior to the release of the results for Phase I of the Match. Furthermore, for any positions that are not offered in Phase I of the Match or that are offered in Phase I but not filled in Phase I, this internship site and internship program(s) agree to require no commitments from applicants and make no offers of appointment to applicants prior to the release of the results for Phase II of the Match.
7. Offer appointments to all applicants matched with this internship site.
8. Send an appointment agreement to each applicant matched with this internship site, and to the academic training director of each applicant matched with this internship site, according to the APPIC Match Policies.
9. Not offer a position to any applicant who was matched elsewhere and has not received a written release from APPIC.

An internship program must not communicate its ranking intentions to any applicant and must not request that an applicant state how the applicant intends to rank any program. Furthermore, applicants must not communicate their ranking intentions to programs, and must not request information on how any program intends to rank any applicant. Any statement or other expression concerning how any internship program intends to rank any applicant or how any applicant intends to rank any program is a violation of APPIC Match Policies, and in any event is subject to change based on further considerations.

The Rank Order List(s) submitted by each internship program for each Phase of the Match will be the sole determinant of the program's order of preference for applicants for that Phase of the Match. Similarly, the Rank Order List submitted by each applicant for each Phase of the Match will be the sole determinant of the applicant's order of preference for programs for that Phase of the Match.

This internship site and its internship program(s) agree to accept the Terms of Use and Privacy policies of the Match web sites, as shown at natmatch.com/psychint.

It is understood that information concerning the participation of this training site in the Match, including the Match results, may be reported electronically (e.g., by e-mail) to the training site, as well as to APPIC and to other parties deemed appropriate by APPIC. It is further understood that the information provided to the Match may be used for research purposes.

APPIC may, in its discretion, release an applicant and/or internship program from the Match commitment with APPIC when APPIC determines that exceptional circumstances or reasonable cause warrant such release. Even if APPIC releases an internship program from its Match commitment with APPIC, that program may be subject to legal action by APPIC and/or an applicant to whom it has been matched if it does not offer an appointment to that applicant.

APPIC is responsible for enforcing this Agreement, and violations of the terms of this Agreement may be reported to the APPIC Standards and Review Committee. If this internship site violates any of the terms outlined above, such as refusing to offer an appointment to an applicant matched with this internship site, the APPIC Board may pursue all available remedies and impose penalties on this internship site, and this site could be subject to legal action by APPIC and/or other Match participants.

For internship sites that are NOT members of APPIC: In order for a non-member site to be registered for participation in the Match, the site must certify that it meets the criteria specified in a Statement of Qualification for Non-APPIC Members, and must pay a non-refundable registration fee of \$295 USD to National Matching Services Inc. The internship site also agrees to abide by the APPIC policies on non-member participation in the APPIC Match and Post-Match Vacancy Service. Participation in the APPIC Match and Post-Match Vacancy Service is a courtesy extended to this internship site by the APPIC Board of Directors, and the Board may revoke that participation at any time.

Arbitration Agreement.

(a) Any controversy, dispute, claim or cause of action (whether in contract, tort or statute) arising out of, or relating in any way to this Agreement, including without limitation any dispute concerning the construction, validity, interpretation, performance, execution, enforceability or breach of this agreement, shall be exclusively resolved by binding arbitration upon APPIC's submission of the dispute to arbitration.
